In Memoriam

DOLORES J. KEENE

Of some dear presence is but empty space.

The Camden-Rocport Windjammers went to the tourney with a 12-6 record for the year. The game against the Cape Elizabeth Capers was tightly played for the first half, until the second half was gradually controlled by the Capers height advantage. The final score was 58-51.

The boys played a long, hard season for Coach Heald, who was as proud of the team as the crowds all year long.

Although there are seven players leaving, next year is very promising all the way around.
